WEDDING DAY PACKAGES

All packages are for wedding day services only. This includes “getting ready” footage of the bride and groom, guest arrivals, wedding ceremony and wedding reception. For additional days, such as rehearsal dinners, bachelor/bachelorette parties, etc., please consult with one of our directors.

All prices are for South Florida (Broward, Miami, Palm Beach) only. Farther locations will be an additional charge.

Prize Box is dedicated to giving our clients the highest quality product. All our packages include **1 revision cycle** free of charge. This means that if you would like us to make any editing changes to your finished films, we will do so.
